7th September 2011

Dear Parent/Carer

We are sending home with this letter, a letter from Mr Andy Robinson ,Headteacher, informing parents that he has been granted early retirement on the grounds of ill health ,effective from 31st August 2011. Staff and governors have been saddened and concerned about Andy's health since he informed us all that he had prostate cancer. We are equally saddened that he is leaving us after 12 years of excellent service to the school. At the same time, we are pleased that Andy has now been given the well-deserved retirement that he sought and we have sent him and his family our very best wishes for the future.

In addition to the details given to you by Mr Kelly in July, we want to inform you of the arrangements that governors have put in place to ensure the continued success of the school .Mr Harrison will fill the post of Acting Headteacher and Mr Kelly will resume his post as Acting Head of School .They will be supported by the school's experienced Leadership Team that has led the school to excellent GCSE and A level examination success in the last year .These leadership arrangements will operate until the governors are able to appoint a new Headteacher whom we would hope to be in place no later than September 2012. The Governing Body will continue to give the school's Leadership Team its full support in the coming year.

Yours sincerely

Kevin Harrison
Acting Headteacher

Martin Smith
Chair of Governors

"An inclusive learning community encouraging excellence, respect and personal fulfilment"
