Dear Parent/Carer,

CONFIRMATION of Industrial/Strike Action – 30th November 2011

I wrote to you last week to give you advance warning of industrial action in relation to public sector pensions schemes.

I can confirm that this action will take place tomorrow, Wednesday, 30th November 2011, and that **the school will be closed for pupils in Years 7 to 11**. We will be open for sixth form students to attend a limited number of lessons that we have identified to sixth formers.

It is always the school's main priority to try and minimise the effect on families and on the education of our pupils in such circumstances while recognising the rights of the professional associations to take action.

We appreciate that this will be disruptive to you but assure you that we have, in consultation with governors, given the matter full and careful consideration including our concern for the safety of pupils and staff on the day.

The school will be open as normal from 1st December. Please do not hesitate to contact me should you have any concerns.

Yours sincerely,

K HARRISON
Headteacher
