

TYTHERINGTON HIGH SCHOOL

MEDIA RESOURCES POLICY STATEMENT

Media resources play an increasingly important role in teaching and learning. Feature films, television programmes and audio-visual extracts of many kinds assist teachers in making learning engaging, relevant and effective for our students. Over the time that your son or daughter is a student at Tytherington High School a broad range of media resources will be used in the classroom as part of programmes of study. Please be reassured that, at all times, the media resources used by teachers will be selected for their educational value and suitability for students of different ages and abilities.

If, for any reason, you do not agree with this statement, or require clarification, please contact the school on 01625 610220 or email us at info@tytheringtonhs.co.uk
